

1956 – America’s Year of Decision

Introduction

“And I believe that this 1956 is a turning time. I predict this, not by spiritual inspiration, or I don't say that, not by vision. But this is the turning time for the U.S.A. They'll either accept it this year or they'll be cast off. See, there's only so many fish to be caught anyhow, and when the pond's all seined dry, won't do no good to cast nets in no more.” Br. Branham, *Fellowship*, Para E12, Minneapolis, MN, Sunday, 02-12-1956.

Br Green, after hearing the tape *Handwriting on the Wall* that you played at the Tabernacle Wednesday, April 4th, and further considering your comments about 1956, I was motivated to look into the Message and other resources to see what initially inspired Br. Branham to make the above statement. I am certain that he saw the political, moral, and spiritual conditions of that time and that he knew the prophecies of God’s Word as well as the prophecies he had previously brought forth under inspiration of the Holy Ghost. These thoughts begin to influence his thinking and eventually culminated in the above prediction.

I searched for the following terms: “1956,” “nineteen fifty-six,” “America,” “reject;” and found numerous and substantial comments in Br Branham’s messages that initially are spoken as “predictions” but ultimately are brought forth as Thus Saith the Lord. Not that there was any doubt on my part, but we can say as Peter said in 2 Peter 1:19, “We have also a more **sure word** of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts:”

In the message *Faithful Abraham*, preached Sunday, 03-12-1961, in Richmond, VA Br Branham makes the following statement about 1956:

“E-74 Now, look. Sodom was sinners. They were perverted, just like the world is today. Great portions of this nation is completely gone. And as I said, ‘We're just being honeycombed with communism and everything.’ Every ism, it's... Many of you, if you'd put a righteous President in every county in the whole United States, it's still gone. She'll never rise again, THUS SAITH THE LORD. 1956 she made her fatal move. Now, and she took well on her way about three months ago. Now, she's gone. Write it in your Bible; see if it's right”

So between his initial statement in February 1956 and the above statement in March 1961, Br Branham felt confirmation from God that his predictions fit perfectly with the Word and prophecy! Wonderful!

Indications of Decline

There are several recurring subjects that Br Branham mentions in 1956 in reference to America and her decline spiritually. Of course these are themes that one can find throughout the entirety of the Message, but when comparing what Br Branham said in 1956 with what history records happened in 1956, it is easy to ascertain the conditions that Br Branham observed about America. We know that it is possible for a nation to go too far, to snub the grace of God and bring judgment on herself. Clearly this is what America did in 1956. America made choices that, at that time, might not have seemed all that significant, but tragically, put her on the path to perdition from which she could not recover.

These are the some of subjects that Br Branham cites when discussing America’s rejection of Christ (I gleaned these from the quotes that are included with this essay):

- Folly – Obsession with entertainment
- Sexual Perversion
- Influence of Hollywood

- Risque fashions – women in a state of undress
- Weak willed men
- Rejection of Christ – creation of a new god: Woman
- Political rejection of Christ – i.e. the Miami arrest of Jack Coe

Entertainment

A web site called “TheFiftiesWeb.Com” (<http://www.fiftiesweb.com/56tunes.htm>) had this to say about music in 1956: “Call him The King. Call him Elvis the Pelvis. Call him the most popular solo singer of all time. His name is **Elvis Presley** and 1956 belonged to him.” Elvis made at least 11 television appearances during 1956 on the Dorsey Brothers, Steve Allen, Ed Sullivan, and Milton Berle shows. 1956 was the year that he moved from small time entertainer to become the first rock and roll mega-star. Many of his hit albums included gospel music. The first quote I can find in the Message about Elvis was in Indianapolis, June 11, 1956, in the sermon *Hear Ye Him*, para E17:

Oh, you that's running from nightclub and everywhere trying to find peace, you'll stand still one day. Brother, Elvis Presley will be there, and he will really be all shook up too, at that time if he don't repent. Arthur Godfrey will be there with all his little Godfrey's, blondes, brunettes, and so forth; it'll be a shaking time for him. All the hail Mary's in the world will never clean his guilty soul; it'll take the Blood of Christ. Such nonsense as that, that four or five psychiatrist trying to keep him a going. It takes the Blood of Jesus Christ to clean a man's soul. And the pollution and the souls...

I might hurt your little pet idea now, your idol. This is a pulpit. Them kind of things is what's damning our nation. All the rock-and-rolls and boogly-woogly and all the other kind of stuff and nonsense the devil has placed into the hearts through such tommy-rot as that. God be merciful, let's get still once and get before God.

There are at least 80 times that Br Branham refers to Elvis Presley throughout his ministry. In fact, in his next to last sermon, *Leadership*, preached in West Covina, CA, December 7, 1965, Br Branham said:

It might do the same thing today, if you have a great talent to sing. I thought of that young man awhile ago that sang that song here; how he give that to the devil, and now he get it back... And how different between him and Elvis Presley and some of these, Pat Boone, and a group like that, Ernie Ford, them guys, great singers, and take their talents, that God-given talents, and use it to inspire the--the works of the devil. That's right. Some great singer selling their God-given talents for fame in this world to become somebody. How could you become any more of a "body" than you could, to be a somebody, than to be a son of God?

Another famous singer that came to prominence in 1956 was Little Richard. An effeminate pervert, he actually took the opportunity to try to get right with God in 1957 but read what TheFiftiesWeb.Com has to say about him:

In New Orleans a fellow from Macon, Georgia by the name of Richard Wayne Penniman was overheard pounding a rock tune on the piano during a recording session break. Throw in a hint of gospel and a lot of mascara and you've got **Little Richard**. That tune, by the way, was Tutti Frutti. A-wop bop a-loo bop a-wop bam boom. Although the tune had to be cleaned up to cover its earthier roots, it is considered one of Rock's most influential.

At the height of his career, Little Richard left the music business in 1957 to study at a Bible college in Alabama and to "make his peace with Jesus." Fortunately for his fans, his ministry has never completely dominated Little Richard's life. He has made several comebacks over the years, and in 1996 he performed at the Closing Ceremony of the Olympic games in Atlanta.

In the book, *Visual History of the Twentieth Century*, by Terry Barlow, he states the following, “1956 can be neatly summed up in a single word: ELVIS.” According to the book, *The 20th Century Day by Day*, by Clifford Daniel, “On September 9, 1956 Elvis’s performance on the Ed Sullivan show captures a record 82.6% of the total television audience in America, estimated at over 54 million viewers.” Obviously,

popular music took a dramatic turn for the worse in 1956. Br Branham was aware of this and saw it as one of the signs of America turning its back on God.

Hollywood

There were several blockbuster films in 1956, *The Ten Commandments* being one of them. Unfortunately, that was the only popular film that year that treated the subject of God in a complimentary way. According to the book *The 20th Century Day by Day*, "Rock Hudson and Jane Wyman are scandalous lovers in *All That Heaven Allows*." Marilyn Monroe (who married Arthur Miller in 1956, her 3rd marriage) "...shocks, teases and titillates in *Bus Stop*."

And then there was the movie *Baby Doll* by famed director Elia Kazan. This movie would have easily been rated R even by today's lax standards. The web site www.filmsite.org has this to say about this movie:

Baby Doll (1956) has been called notorious, salacious, revolting, dirty, steamy, lewd, suggestive, morally repellent and provocative. *Time Magazine* was noted as stating: "Just possibly the dirtiest American-made motion picture that has ever been legally exhibited..." The stark, controversial, black and white film was so viciously denounced by the Legion of Decency upon its release that many theaters were forced to cancel their showings, but it still did moderately well at the box office despite the uproar. *Baby Doll's* impact was heightened by its themes: moral decay, lust, sexual repression, seduction, infantile eroticism and the corruption of the human soul.

Its advertisements and posters featured a sultry young "Baby Doll" curled up in a crib in a suggestive pose, sucking her thumb. The young actress portraying Baby Doll, Carroll Baker (25 years old and in her second film) received a well-deserved Best Actress Academy Award nomination for her role. To make the film appear more genuine and authentic, most of it was filmed on location in Benoit, Mississippi. The landmark, tragi-comedy film is one of the most erotic cinematic works ever produced.

And this was 1956! No wonder Br Branham preached so hard against Hollywood. Other notable offerings from Hollywood in 1956 include the debut of the TV show *Gunsmoke*, and the show *I Love Lucy* winning an Emmy for Best Actress, Lucille Ball. Br Branham made numerous comments about the *I Love Lucy* show, and he had this to say about *Gunsmoke*:

They got a Hollywood play they call on--on the television, they call, "Gunsmoke." And I heard on the monitor the other day that the fellow that plays it, Arnez or something, or Arness, or I forget what his name is, and he's supposed to take... He represents Matt Dillon who was a sheriff in Kansas. And Matt Dillon was as yellow as a rabbit. He shot twenty-eight men in the back, innocent people, going outside of Dodge City and waiting in a bush. And when a man come along, that somebody would call him and tell him that there was a certain villain coming through, he'd stay out there, and when the man come in, he'd shoot him through the back. Now we find he's big guy that comes down. Why, it's--it's absolutely glorifying sin.

But the little children of our country can tell you more about Matt Dillon than they can tell you about Jesus Christ.

Voice Of God Phoenix, AZ V-9 N-7 SUNDAY 63-0120M, para 47

There are other notable facts about 1956 that relate to Hollywood and entertainment. In the book *Chronicle of the World* by Derrick Mercer, the following is found, "April 14, 1956 - A machine is demonstrated that records television programs on magnetic tapes and plays them back." The precursor to the VCR! Finally, William Shockley, Walter H. Brattain, and John Bardeen (all US) were awarded the Nobel prize in Physics for developing the electronic transistor, making possible the large scale commercialization of television, computers, etc.

Men and Women

In 1956 several events foreshadowed the decline of morality in America (this is in addition to the trash that Hollywood was producing). In the book *The Encyclopedia of World Facts and Dates* by Gorton Carruth he notes, "An oral contraceptive was tested for the first time on a large scale in Puerto Rico in 1956 with 1300 women. The test was successful and 'the Pill' went on sale commercially in 1960." This played a huge role in redefining - for the worse - the morality of relationships between men and women. In 1956, two

bestseller books were written by men who were openly and proudly homosexual: *Howl* by Alan Ginsberg and *Giovanni's Room* by James Baldwin.

Political

From the Web Site: Jonas Clark Ministries http://catchlife.org/jack_coe_history.htm

Arrested in Miami. One of the most commemorative things that happened to Coe was his arrest for practicing medicine without a license in Miami, Florida. It was Wednesday, February 8th, 1956, the caption read, "Coe Freed Under Bond of \$5,000." What was his crime? Practicing medicine without a license, a felony in the State of Florida.

The Spirit of the Lord impacted South Florida during this time of early 1956, invading it with signs, wonders, healings, and miracles. What was the response? A jail view from the Dade County prison for God's man of faith, Jack Coe.

The court case brought national attention to the healing revivalist of the Voice of Healing days. Even though Brother Coe won the court case against him, the victory over the anti-Christ spirit was not won. That spirit still operates in Miami today resisting the advancement of the gospel of Jesus Christ.

When Coe was arrested, so many Christians called the Miami Herald newspaper that for the first time in the history of that newspaper their switchboard broke down.

Br Branham had this to say about Jack Coe's arrest (there are numerous comments in the Message about Jack Coe, all favorable):

Look what they're doing down in Florida to Jack Coe. Look what they're doing all the way. How could they ever... That's even unconstitutional to oust a man out of a state. We've got freedom of speech; certainly we have. But the first thing you'll know, they'll try to stop all of this. The--they'll try to quit praying for the sick and put a banned on it. And just remember that when persecution rises, the church it comes to its very height then. It's always the best. Yes, sir, and God's working it all together.

What Is A Vision Chicago IL V-2 N-9 Sunday 56-0408A, para 22-7

Additional Events in 1956

- Racial tension escalated in the Deep South. Martin Luther King Jr's home was bombed. In March he vowed to use "passive resistance and the weapon of love" to fight for Black rights
- "Pop" art becomes fashionable. Pop Art brought art back to the material realities of everyday life, to popular culture, in which ordinary people derived most of their visual pleasure from television, magazines, or comics.
- The United States on July 30 by an Act of Congress adopts the motto, "In God We Trust." Oh, if it were only true.
- March 23 – Pakistan becomes the first Islamic Republic.
- Oct 29 to Nov 3 – Israel, France, and England fight in the Suez Canal war against Egypt.
- Yassir Arafat served in the Egyptian army during the 1956 war with Israel. That year, working as an engineer in Kuwait, he co-founded the guerrilla organization Fatah, which became the leading military component of the Palestine Liberation Organization.

Conclusion

There is no question about the inspiration and authority of Br Branham to say the things he did about 1956. This letter is not meant to represent in-depth research on the subject, but after looking into these things I thought you would enjoy reading this.

May God Continue to bless you in your ministry.

Your Brother in Christ,

Quotes about 1956 from Br Branham

JUNCTION.OF.TIME JEFF.IN SUNDAY 56-0115

E-59 O God, I failed You back down there with those Divine gifts, as You showed so miraculously yonder the other night. And I'm sorry. I repented to You in the vision and now in my right--in this dimension that I live in now, I repent unto Thee, my Lord, and ask You that You'll forgive me and will help me, and by Your grace that You have already told me that these things was going to take place in the future now. Knowing that they will; therefore, Lord, I ask that You sanctify my soul and my heart as I give it to You.

O God, shake not only the earth but the heavens again. Lord, let us go into the fields yonder where the millions are waiting, Lord, and hungering, and thirsting, and crying, and begging, and heathens are dying in darkness. O God shake this great adulterated nation of America, who's fell in folly and a modern Sodom and Gomorrah. "Oh, thou son of the morning, how come that you fell. You did run well. What happened to you?" But, "Oh, Jerusalem, Jerusalem how oft would He have hovered you."

JUNCTION.OF.TIME JEFF.IN SUNDAY 56-0115

E-60 And so is it with America today, as the Holy Ghost cries in my heart. "How oft would I made you a flaming torch to the nations and to the world, but you accepted Hollywood. You accepted the fashions of the world. And now, you've been given over to a Jambres and Jannes and how your--how your day has come. How that mighty men has swept the nations. How they have combed through for what they could get. Now, you're pulling away and leaving to other nations."

O God, she set in the ashes of her own ruin. She set upon her own barrel of glamour. And some glorious day the Son of God in His holy righteousness, will be revealed from heaven. Then where will we stand? O God, grant today that our hearts be established in Thee. Forgive us of our many sins.

FELLOWSHIP MINNEAPOLIS.MN SUNDAY 56-0212

E-12 And I believe that this 1956 is a turning time. I predict this, not by spiritual inspiration, or I don't say that, not by vision. But this is the turning time for the U.S.A. They'll either accept it this year or they'll be cast off. See, there's only so many fish to be caught anyhow, and when the pond's all seined dry, won't do no good to cast nets in no more. So there'll be a time.

I stood not long ago at the great city of Rome and saw the great Neros and emperors that once lived there. The great power of the world existed in Rome, and now you'd have to dig thirty feet underground to find the remains of it. Stood in Athens, Greece, where the--the great Alexander the Great, many of those great men where old ancient cities are sunk, many of them.

MAKING.A.WAY JEFF.IN SUNDAY 56-0304

E-12 I--I just feel that we haven't got much time now. And I'll predict it. I don't say this is the Lord saying this now, I--I'm predicting that this year America will receive Christ or reject Christ. See? I believe this will be the turning point, that America will go in--we'll have a revival in this day, or we won't have a revival. And I believe that this is the year that America will make its decision. And I trust that they'll make it, and we will have a great revival that'll just sweep...

We're having much preaching and much evangelism, but we need a revival, don't we? A real revival, that's what we need. The Lord bless you, glad to see Brother Graham there, and--and I'm--I believe Brother Smith setting right in front of him, Brother, from the, Smith, from the Church of God. And--and there's several ministers in here, I'm sure. And we welcome you all, brethren, each and every one. And the strangers in our gates, all the laity, we just love you.

WHAT.IS.A.VISION CHI.IL V-2 N-9 SUNDAY 56-0408A

22-1 Now, the thing to do is to be true in your heart, love the Lord with all your heart, and just be thankful that God is marching on with us: the resurrected Lord Jesus Christ.

And I say this and make this predicting. I'm not saying it in the Name of the Lord now. I'm saying it as your brother. I predict this. (And listen close.) I predict that America this year, the United States this year will either receive Christ, or she'll start falling from this year. Yeah.

This is America's time to repent, and if it doesn't... I predicted that on, I think, about January the 15th or 16th of this year, just feeling led to say it, and it's--I've stuck with it, and I look at the wheels turning up.

WHAT.IS.A.VISION CHI.IL V-2 N-9 SUNDAY 56-0408A

22-4 I notice the great famous evangelist, Billy Graham; he come back from overseas, and he staged his meetings: New York and these great places, to hit the very nerve center and so forth. And I see that Brother Roberts, excommunicated out of the foreign countries.

Mr. Arganbright wants me after June, and them to go into Germany, back down into South Africa, and through there, but something's holding me to America. And all the others seems to be the same way, and I believe that America is going to get her last call this year. That's right. I'd be daresn't... Look here at the tapes down here. They might be played twenty years from today.

WHAT.IS.A.VISION CHI.IL V-2 N-9 SUNDAY 56-0408A

22-6 See, have to watch what you're talking about; watch what you're saying, but I believe that. Now, the Lord hasn't told me that, but I believe that, that America is either going to receive Christ or is going to turn Him down flatly this year; and I predict that they will turn Him down. I do.

WHAT.IS.A.VISION CHI.IL V-2 N-9 SUNDAY 56-0408A

22-7 Look what they're doing down in Florida to Jack Coe. Look what they're doing all the way. How could they ever... That's even unconstitutional to oust a man out of a state. We've got freedom of speech; certainly we have. But the first thing you'll know, they'll try to stop all of this. The--they'll try to quit praying for the sick and put a banned on it. And just remember that when persecution rises, the church it comes to its very height then. It's always the best. Yes, sir, and God's working it all together.

MARK.OF.THE.BEAST JEFF.IN SUNDAY 56-0715

E-28 What did they do? They refused to drink from the fountains of living Water. What makes all these things in the world today? What makes these ladies wear little shorts? What makes them wear those blouses that you can see their clothes through? What is it? It's hungry children (That's right.), thirsty. "Blessed are ye when you hunger and thirst after righteousness." Jesus said, "You will not come to Me."

Listen. The reason they do it, is because that they have rejected the fountains of living Water and have drunk from a Hollywood broken cistern. Exactly right. They have received it through old vulgar television, and so forth like that. And the very plan that they've done, they went right straight back to Eden where it begin from.

America has refused Christ as their God and received women as their god. What have they done? They strip their clothes and put... Oh, it's a disgrace for a decent person to walk the streets of any city. What does that show? That shows just exactly what's in a woman's heart. Jesus said, "By their fruit you shall know them." They have disgraced womanhood. Why? Because that a woman has become a goddess.

MARK.OF.THE.BEAST JEFF.IN SUNDAY 56-0715

E-29 In the garden of Eden there was two trees. One of them was the Tree of Life. The other was a tree of death. And man refused the Tree of Life and accepted the tree of death. And that's what the world's done today. It's--it's refused the Tree of Life, which is Christ, and has made a woman their god. She's American goddess. That sounds hard, and I'm stripping down the women. And I want to tell you. After all a woman... Let me burn up on this, and, men, you're coming next.

Look, a woman is not even so low... She's not even a creation in God. She's a byproduct. After God made the whole creation He took a piece off of a man and made a woman. She wasn't even considered in the original creation. Correctly. She become a helpmate to man. And through there she's supposed to live for that. But today men has turned around and made her a god.

MARK.OF.THE.BEAST JEFF.IN SUNDAY 56-0715

E-30 Like Eve was in the garden of Eden, Adam turned his back on God and went with Eve. And America and the rest of the world has turned their back on God and went with the women. That's scorching. But that's true. Look around.

Why, you men, what's the matter with you? Any man that'll let his wife wear clothes like that and smoke cigarettes, that shows what you're made out of. Men, do you know you're the sons of God? Do you don't know God isn't... You don't fear God; you fear your wife. That's right. Broken cisterns, Hollywood nonsense...

Now, that's not only in Presbyterian and Catholic; that's in Pentecostal and holiness. That's true.

Years ago when the trumpet was beginning to sound, you women wore long hair; you dressed like ladies. But you Pentecostal women are getting just as rotten as the rest of them (That's right.), chopping off your hair. And the Bible said, any woman that cuts her hair, her husband has the right to give her divorce and leave her: I Corinthians the 11th chapter. See if that's not right. She even dishonors her husband.

DIVINE.LOVE JEFF.IN SUNDAY 56-0826

E-15 When I predicted six months ago that this was the closing year for America, and we'll see whether it is according to the Gospel or not. This is the time when she's gone. It's either going up or down this year. That's right.

Now, you young children, I want you to bring you a piece of paper and write it in the flyleaf of your Bible that when Brother Branham's done passed on perhaps, you see whether I was right or wrong. See? And you'll know whether the Lord still speaks or not. See?

HANDWRITING.ON.THE.WALL JEFF.IN SUNDAY 56-0902

E-9 And now, just for a little lesson tonight, I thought timely I wanted to over my subject tonight is "The Handwriting On The Wall." And knowing that the time that we're living in just before the coming of the Lord Jesus...

And seeing the old Azusa street, I come up now to a fifty years that the Holy Spirit has been in America. And to see that the rejecting of It in a whole. I believe it would be very timely tonight if we'd read in Daniel and find out just some of the things that's been foreshadowed to us in this day. But before we open His Book, shall we just bow our heads and speak to Him just a moment?

CONDEMNATION.BY.REPRESENTATION JEFF.IN V-2 N-13 SUNDAY 60-1113

7-3 And now, let me bring something else. I haven't got it written here, but on magnetic tape (And this is taped too)... In 1956 in Chicago, Illinois, standing at the--that Lane Tech High School (They were there.), I said, "This year is going to be the changing point of America. I've just come from overseas--don't know why I come. Come back; canceled my meetings in Africa and around--come back."

Billy Graham, something mysterious, he canceled his. Tommy Osborn canceled his. And we all crossing the United States in meetings. I said, "America will either receive or reject Christ this year." Then I said, "When they elected in Indiana, a twenty-two year boy--year old boy to be judge," the Spirit of the Lord came on me and I said, "They'll finally have a president that'll be one of these crew cut, playboy, beatnik-type presidents, a lady's man." Now, them's predictions years ago. See where we're at? It's later than we think.

CONDEMNATION.BY.REPRESENTATION JEFF.IN V-2 N-13 SUNDAY 60-1113

30-6 Smoking cigarettes. Hybrid is right. Hybrid, they don't even know whether they're man or woman. That's right. You can hardly tell what sex they belong to by looking at them and listening to them. That's true, friends. I'm not saying that about you Christian women. My voice is going around to many nations. But it's a hybrid. This America has become condemned.

And what did she do, according to the vision? She elected the wrong person. I don't know how long it'll take it to run out, but it will be someday. THUS SAITH THE LORD. It will.

She's on her downward move right now. She'll never come back again. She's gone. That's right. She's been gone since 1956 when she condemned and turned away God from the great revival hours.

ABRAHAM.RESTORED LONG.BEACH.CA SATURDAY 61-0211

E-55 There was God Almighty made flesh in a commemoration that... Jesus said, "A little while and the world seeth Me no more; yet ye shall see Me, for I will be with you, even in you, in you, to the end of the consummation," all the way down to the end of the world, Jesus Christ the same yesterday, today, and forever. He's here. It's Christ working in you and me and the rest of us, trying to bring His Word together to confirm and to fulfill His Word. Why did Jesus heal the sick for in Matthew 12, Matthew 8, I believe it is? He said, "That it might be fulfilled which is spoken of by the prophet." The Word of God needs to be fulfilled. This is the hour.

Telepathy, they call it. They called it the same thing there, a devil. He said, "It's unforgivable to call the Spirit of God that's working a thing like that." I want you to think about that 'fore you go to making your decisions. There's a new ministry that God has confirmed, and we know it to be the God's truth. But somehow or another it just won't work here in--in America. It does at other places. Now, greater than what

we have here.

But you see, we just--we just sinned away our day of grace; that's all there is to it. I predicted that in 1956, and it's been that way ever since, constantly falling. See? But God will pull out that elect church. He's--He's duty bound to do it; He said He would do it.

FAITHFUL.ABRAHAM RICHMOND.VA SUNDAY 61-0312

E-74 Now, look. Sodom was sinners. They were perverted, just like the world is today. Great portions of this nation is completely gone. And as I said, "We're just being honeycombed with communism and everything." Every ism, it's... Many of you, if you'd put a righteous President in every county in the whole United States, it's still gone. She'll never rise again, THUS SAITH THE LORD. 1956 she made her fatal move. Now, and she took well on her way about three months ago.

Now, she's gone. Write it in your Bible; see if it's right. 1933, one morning going to the Baptist tabernacle, I went into a trance, saw a vision. I saw President Roosevelt was going to help lead the world to a world war, told it that morning. They was going to lock me up for it. And I said, "They'll go to war with Germany." Eleven years before the Maginot Line was built, I said, "There..." in that same vision I saw Germany fortified in concrete. And America took a terrible beating there, and many of you boys know what happened, was there.

GREATER.THAN.SOLOMON.IS.HERE SANTA.MARIA.CA THURSDAY 62-0628

E-8 I said, "Backsliders, sinners, and everything else. See?" And said, "Not one would respond." I said, "You see (See?) God's gifts becomes perfected, but the revival's been over for a long time." See? The revival's gone.

Nineteen fifty-six I prophesied in Chicago that Billy Graham that year would return and cancel his meetings. Tommy Osborn would return, and America would see its last call. And from then the revival would die. I just count back and see. We got that on record. See? And the revival is gone.
